

Baby ring sling

Cotton 100%
Made in Japan

Don't bleach
Warm iron

Tensile strength of the ring; approx. 190kg per piece

- made of 100% cotton fabric
- May shrink due to washing
- Dark-coloured fabric may fade in wash, it should be washed alone or with other items

of the same colour

- Tumble drying should be avoided
- The rings are specifically designed for baby holders
- The material of the ring is selected to match the fabric, please see the instructions

attached to the product

- If the ring is made of nylon, do not iron it directly as it is not resistant to heat
- Do not use the product for any purpose other than its normal use
- Ensure that the fabric does not block the child's mouth or nose. There is a choking

hazard.

- Pay close attention to your child's posture while in use
- Please note that this is a handmade product and there may be individual differences
